Dear Paul:

This is a follow up to my letter of November 16 concerning the above named individual. At that time, I sent you a copy of a letter we received from [REDACTED] and [REDACTED] indicating that their son had been sexually molested by Mr. Smith.

We were told that Mr. Smith might reside in Two Rivers, Wisconsin, at this time. I asked if you would do some investigation and let me know if he is there so we can determine whether a confidential file should be established.

Please let me know if you can be of any help to me.

Sincerely,

Dear Paul:

I am enclosing a copy of a letter we received, which is self explanatory. This indicates that Mr. Smith should not be registered with the Boy Scouts of America. We would like to know if you have such an individual, that you are aware of, in your council area. We would want to do further investigation to see whether we really should place him on the confidential file and refuse registration attempts.

Please let us know if we may be of help to you.

Paul Ernst, Director

CONF027846

NOV 11 1987

November 8, 1987

Boy Scouts of America

Irvine, Texas 75038-3096

Dear Sir,

Recently during a late evening talk with our youngest son. He disclosed to us that he had been sexually molested in 1972 by an assistant Scoutmaster, Dale Smith at troop 18 in Quonset Point, Rhode Island.

I am sure you are wondering why I would feel it necessary to write now at this late date. Possibly this letter and your action can prevent this from happening to another youngster.

Dale at the time was in his early 20's. Young enough to still be in Scouting.

His name is Dale R. Smith he resides in Two Rivers, *CC 635* Wisconsin. Under Boy Scout office Manitowoc.

Please stop him, look into this. What is done with Dale can not help our son. But it can help someone else's child.

Thank You For Your Time
